

Suggesting an item for the Huron Public Library to purchase

1. From the library's website, click on the Catalog icon.

2. After you proceed to the Catalog's page, click on the Suggest button.

3. Next, log on using your library card number and password.

A screenshot of a "Account Log On" dialog box. It contains a welcome message, input fields for "Username or Barcode" and "Password", and a "Start Here" link for users who need a library card. "Log On" and "Cancel" buttons are at the bottom.

4. Fill out the form, when finished click on the Suggest button.

A screenshot of the "Suggest Additional Item" form. It includes a navigation bar with "Home", "Search", "Visual", and "Links". The form has input fields for "Title", "Author", "ISBN", and "UPC", a "Material Type" dropdown menu (set to "Book"), a "Reserve Item" checkbox, and a text area for additional information. A "Suggest" button is at the bottom, with a black mouse cursor pointing at it.
